The woman-owned, French-themed bakery is one you’ll want to check out – whether it’s a walk-in order or for their catering.

When Boulangerie first opened its doors in January 2024, Downtown Auburn was treated to the aroma of their delectable pastries + coffee.

This past January, [Boulangerie's original location](#) on North College Street closed, announcing its upcoming move to a new Opelika location. But not to worry – just three doors to the left of the bakery's original location is The Cafe, opened by Boulangerie owner Jessica Rizzo.

[The Cafe's](#) menu is an expanded version, with brunch + lunch options having been added to the list alongside specialty coffee, martinis, tea, pastries + breads.
